

# Best Practices for April

## Mega Millions – It’s a Whole NEW Game!

### The New Mega Millions launches April 5, 2025!

The new Mega Millions game will have lots of features for your players to love! Although the price per ticket will be \$5 per play, it will also include a randomly assigned multiplier (2X, 3X, 4X, 5X, or 10X).

The jackpot will start at \$50 million and jackpot amounts are expected to increase significantly! The secondary prizes have increased, as well:

- Win a minimum of \$10 and up to \$10 million on non-jackpot prizes.
- Match 5 prizes with the new built-in multiplier will range from \$2 million up to \$10 million.
- The prize for matching the Mega Ball alone will increase to \$10 – \$50, depending on the built-in multiplier.

The new Mega Millions game has better overall odds and better odds to win a jackpot:

- Jackpot odds improved from 1 in 303 million to 1 in 290 million.
- No break-even prizes!
- Win a minimum of \$10 on every winning ticket!
- 24 numbers to choose from in the Mega Ball field.

## Ticket Tracking

It is important to track your store’s Starting and Ending Scratcher ticket numbers on the Lottery Scratcher Tracking Sheet. Tracking ticket numbers regularly helps your store receive credit in the event of a theft. If Scratchers are stolen from your store, please do the following in order to receive credit for the stolen tickets:

- Have your Scratchers Tracking Sheet ready with the EXACT Scratchers ticket information, including the game, pack, and ticket numbers.
- Report the theft to the New Mexico Lottery Security Division at 505-342-7650.
- Report the theft to your local law enforcement agency.

For a copy of a Scratchers Tracking Sheet, please ask your Lottery Field Sales Representative.
